To

G. Aravamudu Iyengar, Esquire, B.A; B.L,

His Highness the Maharaja of Mysore,
Muzrai Department, Bangalore.

Sir,

With reference to your letter No.2142/muz 166-17-2 dated 1-2-1919 returning without sanction the list of vacancies under classes II and III of the Gumbaz Langarkhana charities at Seringapatam, I have the honor to state that in the proposal for the revision of the scale of the Gumbaz at Seringapatam received from the Muzrai Superintendent a sum of ₹.180/- was provided under the Langarkhana charities as against ₹.200/ in the existing scale and classified as follows:-

	Total amount.	
15 at ₹.3/ each	45-0-0	I class.
30 at ₹.2/ each	60-0-0	II class.
75 at ₹.1/ each	75-0-0	III class.
120	180-0-0	

The existing scale provides for the grant of allowances to 167 persons of whom 126 are reported to be living and there are about 30 applications pending, for the remaining vacancies. As the proposed scale provides for the grant of allowances to 120 persons only, those that are receiving allowances will have to be shut out of the concession shown to them for a long time.

Under these circumstances I would suggest that the following modifications be made in the proposal of the Muzrai Superintendent

re the revision of the scale of the Gumbaz.

A provision of ₹.200/- as at present be made under the Langarkhana charities and a classification made as noted below:)

I class	10 at	₹.3/ each	30-0-0
II "	30 "	₹.2/,	60-0-0
III "	110	₹.1/-	110-0-0
Total	150		200-0-0

I request that sanction of Government be obtained in the matter and communicated to me.

A revised list filling up the vacancies under these charities will be prepared and forwarded after the revision of the scale in question is sanctioned by Government.

I have the honor to be,

Sir,

Your most obedient servant,

MEMORANDUM.

Proposal for fixing the scale of the Gumbuz, Masjid-i-Ala and Minor Masjids at Seringapatam.

The aggregate income which at present works up to Rs.14,370/- includes an item of Rs.700/- being the interest earnings from investment and Rs.600/- from the garden. The former will be considerably diminished when the thorough repairs of all the buildings are taken up for which a rough estimate of Rs.25,000 has already been prepared. The garden income is fluctuating from year to year and cannot wholly be depended upon. may safely put the total income at Rs.13,730/-.

2. Owing to rise in prices considerable addition has to be made in recurring charges for the celebration of Urus and Ramazan and a substantial provision for annual maintenance for the buildings and garden has also to be made if the premises which re frequently visited by distinguished people are to be kept in good condition.

3. The minimum requirements of nstitution require an annual expenditure of Rs.12,570/- leaving

920/

a surplus of Rs.~~1,160~~/- which just leaves a margin of safety to meet unexpected calls for capital expenditure for repairs and restoration.

4. The sum of Rs.143-8-0 a month from the Gumbuz funds which is being spent upon two educational institutions and scholarship as shown in the margin has been left out as the Government ~~xxxx~~ have since been pleased to forego the contribution in view of the necessity for the improvement of services in the institution (vide Government Proceedings No. 1509-12 dated 13th Dec 1918 Agl 71-18-4
